## West Shore Wood Carvers show

is Saturday November 21<sup>st</sup> 10AM – 4:00 PM & Sunday November 22<sup>nd</sup> 12:00 PM – 4:00 PM, we are setting up a club table any help manning it would be appreciated.

## The Prez Sez...

Well another show in the books and what a great show! I think everyone had a great time again this year and it was good to see all of our tables filled. It's always good to see old friends and make new ones. I want to thank everyone that donated Christmas ornaments to the club, this was a huge success for us. I especially want to say a big thank you to the show committee and everyone that helped at the show. It takes a lot of people to make the show work, from the committees to the members that man the tables to the folks that set up and tear down. Welcome to all of the new members that joined at the show, I look forward to meeting and carving with you in the upcoming months.

Now to the disturbing part, we are in the month of November and we normally have our election of officers. To this date we do not have anyone for President. At this time we will postpone the election until the December meeting. I know it's easy to get nervous about a job like this, but it is a great opportunity to meet the members you might not know and have input on the future direction of the club. You will have the support of the past officers and executive board. There is an ongoing list of ideas for programs so don't let that scare you. Please contact me if you will do this. Remember your club needs you.

In closing I want to wish all of you a Happy Thanksgiving. Please count your blessings and be safe.  
 Jim

## Previous Meeting Notes

Thank you Fred Sauer for passing this along to me!

1. There will not be a **Club Table** this year. Kyle Gabel has made up a very good **Show Program** which will have the information in it. There will also be information about joining the club at the **Ticket / Door Sales table and the Ornament Table**. As a result the volunteers for the Club Table have been assigned their requested times at the Ornament Table.
  2. Tables - Kyle has reported that we have all tables filled this year. Also Kyle is making up a name place holder for each exhibitors table. A nice touch which we borrowed from the Lancaster Club Show. Thank you Kyle.
  3. Four Carving Clubs will be at our show this year - West Shore, Lancaster, Cumberland Valley, and Carrol Carvers.
  4. Linda Murphy has reported that we will have a Chain Saw Carver - Jake Albright (Whitting Jake) outside the show this year. Jake has donated a chain saw carving to the show which will be in the silent auction closed bid offering. You will not have to be present to win - just need to make arrangements to pick it up.
  5. Jim Hiser has our featured Artist this year and it is Bob Williams. He does Fish and Bird Carvings - which something new and different for the feature artists at our show. Great job Jim.
  6. Show signs are all out and a very nice job here thanks to Chris Biles.
  7. Publicity has been placed in magazines, newspapers, community calendars, etc thanks to Gary Peiffer.
  8. Silent Auction - we have a nice number of items for the auction. We can use some more. Ernie Castelli is asking for everyone if there is more to please get them to him no later than Monday night. He is working hard on getting them ready and organizing them - lots of paper work to do with it as well.
  9. Announcer this year will be Jesse Hinson.
  10. Competition Chair Raymond Kane has the ribbons, metals, and Judges all lined up. Jack Moxley and Alice Burdette have agreed to help with the sign up table Friday night / Saturday morning.
  11. The new Show Badges are completed thanks to Dave Murphy.
  12. Whitting Contest will be handled by John Lovett. John is also setting up the Ornament Table. Thanks John.
  13. The theme this year is Circus. As part of this there will be a large carved Circus Carousel on display.
- Lastly, thanks to Ed and Nikki Otto and Jim Hiser for the behind the scenes advice they provided to me this year. Fred Sauer

### Note from the Competition Chair

Dear Club Members,  
I would like to thank all those persons that helped make our Annual Carving Contest a success. I would like to mention that we had a total of 83 pieces entered and 62 of these entries won ribbons for one level or another of recognitions. That means that 75% of all the entries won something. Ribbons, medallions, cash and or both! We had more entries in Flat Art than any of our previous records indicate. Thank you all!

The following people are the ones that really made this contest a success.

Those offered suggestions and directions as to how to make this contest work: Linda Murphy, Bill Zech, Ernie Castelli, Cliff Rosborough, Rod Flinchbaugh, Fred and Theresa Sauer.

Setting up for the contest: Jack Moxley and Alice Burdette.

Registration Table: Pat Kane, Randy ?, John Lovett, Ernie Castelli

Judges: Rod Flinchbaugh, Dale Buffington, Rick Baker, Dick Watkins, Steve Shatto, Nick Sciortino and Vivian Castelli.

Data Collection: Pat Kane, Vivian Castelli

I know that I have forgotten or missed some and I ask your forgiveness for such an oversight.

Thank you all. These are just some of the people that helped make our annual Carving Show a success.

Raymond Kane

### Note from the Silent Auction Chair

Thought I would let you know some of the ins and outs of the Silent Auction. Basically I requested donations from every advertiser in Wood Carving Ill. & Carving Mag. that has not ignored me in the last several years. So if you don't see your favorite supplier in the following list either I don't know about them or they have not even replied to my request. We received items from Lee Valley Tools, Klinspor, The Woodcraft Shop of Iowa, Proxxon Tools,

Foredom, Chipping Away, Smokey Mtn Supply, Carvers vise, Woodcarving Illus. and Cape Forge (who said better luck next year). Klingspor and Chipping Away have offered any member a 10% discount on their orders simply by telling them you are a club member when you order. I hope each of you will continue to support these vendors that are supporting your show as well as asking your vendor to support us too. But most of all it is YOU that have made all the years I have done this a success. This year we have tried a new wrinkle, a sealed bid auction too. It was very successful too! But let's not forget the many club members that put up with me and bid on the offering. The CLUB, the Show Committee, and I THANK each of you for your support.

Ernie
