## The Prez Sez...

Prez Sez:

It's hard to believe that it's show time again. Fred and the show committee have done a great job of pulling things together but we still need help setting up on Friday October 23<sup>rd</sup> starting at 1:00 pm, manning tables during the show and tearing down and clean up after the show. Please see Fred and let him know that you will help out. Coming up is election of officers We have volunteers for all of the offices but president. Please contact me or any other club officer to step up and help your club, we have an ongoing list of program ideas for next year. We have over 100 members on the roster so we should have at least one person willing to step up. I and the rest of the past presidents are available to help through the transition and set up programs with you. Enclosed is the 2010 seminar list there may still be a few refinements but I wanted the membership to have the list before the show.

## Executive board meeting Highlights:

We had an executive board meeting in September the highlights are as follows,

The June meeting falls on Fathers Day so we are moving it to 3<sup>rd</sup> Tuesday of June.

July's meeting falls on the Sunday of North Eastern Wood Carvers Round up in Honesdale, many of our members attend this so we will be moving that meeting to the 2nd Tuesday night of July.

We decided on Tuesday night so we don't interfere with the other area club meetings.

This years picnic is going to be a covered dish picnic in the pavilion at the Community Center in September, in place of the regular meeting.

## Annual Conewago Carvers Banquet

The annual banquet will be held Nov 7th (first Saturday in November) at the Zwingli UCC Social Hall (directly across the street from the East Berlin Area Community Center). Doors open at 5:30 pm, food served at 6pm. Cost is \$8.50 per person. Entertainment provided by the PasTime Harmonizers (unless something drastic happens, then we fall back to Plan B). Menu is pretty much the same as previous years. Please send your reservations and checks to: John Lovett, 70 Matthew Drive, New Oxford, PA 17350. We will accept both until November 4th.

## Membership announcements

George and Janet Maurer are in a new apartment at the Brethren Home at Cross Keys Village. October 28th is George's 79th birthday and he would really appreciate hearing from his friends in the club.....and with his birthday coming up, it provides the perfect opportunity. His new address is: George and Janet Maurer, 610 Harmony Drive, Apt 117, New Oxford, PA 17350.

Cliff Rosborough has been in the hospital again. Please keep him in your thoughts.

# Annual Show

It is Almost Here!

Fred is still looking for volunteers to help with set up clean up and various other responsibilities during the show. Please contact Fred if you are able to assist.

All tables are full this year! It should be a great weekend.

We had 41 ornaments to sell as of our October meeting, I am sure there have been many more donations since then!

A Note From Ernie Castelli:

Hi Fellow carvers,

Let me first say thank you to each of you that has donated an item for auction. It has been some time since I wrote to all of you! The show committee has allowed me to make some much needed changes in how the silent auction is run.. Although I have been unable to obtain as many great items this year from our vendors, probably due to the recession, as in previous years. We have seen the generosity of our fellow club members greatly increase. The show committee has agreed to allow me to do a true SILENT AUCTION on select items as follows. Sealed bid sheets will be provided for a small number of valuable items. The AUCTION on these items will end at 3PM on Sunday. You will not need to be present to win but you must make arrangements to pick up these items within one week of the end of the show. The CLUB WILL NOT SHIP THEM TO YOU!!!!. Failure to do so will pass the item to the next lower bidder. You may make as many SEALED BIDS as you wish on these items from the opening of the show until Sunday at 3PM. Oh!!! one little catch!!! I am setting a MINIMUM PRICE on each item which will not be disclosed until bidding is over Sunday. If the Minimum is not reached the item will not be awarded. Just so you can get your bids ready we will place the following items in this select category.

No. 1 A 36" Craftsman lathe complete with the original tools, motor , stand, directions etc. Orig Purchase price \$699.00

No2. A collectable hand carved duck by a famous duck carver. Orig. Price >\$200.00

Nos. 3 and 4. 2 hand made hand wood tool carriers @ \$ 150.00 each

The minimum price will be a % of the Original Price but will not be disclosed until Sunday at 3PM when the bidding is over.

Don't worry there are plenty of great items that will be auctioned as usual twice on each day.

Ernie

## Bob Dunkin from Wood Carving Illustrated

Bob gave a wonderful presentation of what he puts into his magazine. He gets ideas for carvings from projects that have been submitted to him as well as projects he has seen. If you would like to submit a project, it is better to submit too much information about step by step procedures to help with the writing of the article. If you are interested in submitting something visit <http://www.woodcarvingillustrated.com/>
