## A Note From the President

Rose and John Huth have done a great job planning our annual picnic and it was a big success. The food was great and everyone had a good time playing Bingo. Thanks to Rose and John for organizing the picnic for the last five years! Thanks to Joe Legore, Don Karnas and Charlie Bixler, who worked at the York County 4-H Fair on August 13th, promoting wood carving and our show. Last call –we still have room for about seven more exhibitors and especially need flat artists that do wildlife art to complement all the carvers. More carvers would be good, too. If you know of a good flat artist or carver that will fit in at our show, please talk with them and contact Kyle at 717.676.7612 with the information if they are interested.

We had a strong turnout at the August meeting, had good discussions on a number of ideas and were given an excellent program by Joan Hiser. At the August meeting, Joan gave us a very informative program on mixing colors, enhancing yucky colors and painting techniques. There were several questions and Joan had a lot of ideas for everyone there. I learned a lot and know I have to practice painting a lot more! Thanks, Joan, for presenting this program to the club members. The September program, (September 18th), will be a presentation by club member, Nick “Koz” Sciortino, on how to set up a display for a show or other exhibit to make it attractive to visitors and attract buyers. Don’t miss this program, as we have not had a program on like this since I have been a member of the club... and I’m sure Koz will make it very interesting.

Don’t forget that we will be presenting the Extra Mile Award to a club member at the Annual Banquet on the Saturday of the show. This is an award that is given annually to a club member or members who have gone out of their way to make the club a better organization. Names of any active club members deserving of the award are to be submitted to the President by another club member. The elected officials make the final decision based upon the nominations. Please get these nominations to me in writing no later than the September club meeting.

The carving blocks that are going to be used to decorate the carving room are due back at the September meeting. Please make sure you get them in because part of the agreement is that if you don’t turn them in, there is a financial price to pay!

I know it is early, but please think about volunteering to be an officer of the club in 2012. Nominations from the Planning Council are to be submitted to the membership at the October club meeting. This means that we will be coming up with nominees at the September 13th Planning Council meeting. Being an officer is a great experience! You get so much support from the other members and the Planning Council that being an officer is much easier than you think. If you will consider being an officer in 2012, please see me or any other member of the Planning Council. I am two thirds of the way through my term as President, and it has been a lot of fun working closely with so many members and seeing so much accomplished by the club. We plan to start the 50/50 raffle again at the September meeting. Keep on carving!

## About Us

Officially organized on March 14, 1992, the Conewago Carving Club was founded in East Berlin, Pennsylvania and is comprised of over one-hundred members. Each year, the club’s annual Woodcarving and Wildlife Art Show attracts visitors nationwide, and the club proudly hosts several carving seminars conducted by local and nationally known woodworkers.

## Colonial Days Recap

Doug Gabel has reported that the club's Colonial Days booth was a real hit! Many, many attendees were interested in the Tuesday night carving projects and a lot of visitors said that they were interested in coming to our show —some were even unaware of our annual show! Others knew of youth whom are currently carving and may be interested in entering the show competitively.

We also found a flat artist and another carver who both seemed very interested in exhibiting at our show. All in all, it was a very exciting and rewarding day!

Thank you to all members who participated! We appreciate your time in an effort to bringing public awareness to our club and sharing your talents with others.
