NEW BUSINESS

There will be a planning meeting before the regular September 19th at 1:00pm. Club show will be discussed at this meeting so please plan to attend.

Patsy H. noted that there are two new books that have been added to the library. These books were suggested by Karla H. who did the July monthly presentation on photography.

Patsy also noted that new smaller club information have been ordered, and will be ready soon for handing out.

Jay Hendrickson did a presentation on Damacus Steel and knife making. For those who were unable to attend Jay did a great presentation, and has a number of awards for his skill at making knives.

That's all for this month. Keep your knife sharp and the chips flying!
