CONEWAGO CARVERS

PRESIDENTS REPORT

JUNE 19, 2022

Before the regular meeting a planning meeting was held at 1:00pm, below are items of discussion, no votes or decisions were made.

- Discussed seminar fees for both 2022 and 2023. Additional information will be gathered for a more complete discussion at the July Meeting. We will be doing a zoom meeting with Karla Harman for next year's instructors.
- Another idea will be to have written agreements with our instructors.
- A seminar policy needs to be written and held to avoid issues that came up this year.

B. Nesbit raised the issue of insurance for the club room and what and who is protected. Several questions have been voiced to Bob about the insurance and club room safety.

- Doug G. and Patsy H. are going to get with the club's insurance company and get clarification of our coverage.

Jim O. gave an update on the treasury audit that he and Bob N. did. Jim stated that Dave P. has done a great job of keeping the books up to date. A big thanks to Jim as he did a great job and letting us know the club's books are in good shape. Jim did do the bulk of the audit work with his accounting background.
