CONEWAGO CARVERS

PRESIDENTS REPORT

MARCH 20, 2022

We had another great turnout yesterday for our monthly Club Meeting, we also had 3 new members attend as well.

Reminder note, for the April meeting. **Meeting date falls on Easter Sunday, so the meeting has been moved to Tuesday night April 19th from 6 to 8pm.**

OLD BUSINESS

Seminars are filling up so get your money in if you want to attend. Keep in mind that seminar money full payment is due 60 days before the seminar. **NOTE: At the 60-day mark if you haven't made full payment, you will be bumped off the list and someone who has made full payment will take your place.** To help our club treasurer please add a note in the memo line what the money is for, don't make them guess.

Club show brochures are now available in the club room and some were handed out at the Millersville Woodcarving show.

Friendship cane blocks are ready so please help out the club and sign one out and get it back to us by the club meeting date on August 21st.

Membership report, Deb O. reported that membership is up to 150 members, and that includes 24 new members that have joined. The downside is that as of the March meeting we have 19 existing members that haven't renewed their membership.

Dave Parker gave an update on the club funds and club is still in good shape. He also noted that the club will be changing banks to a local bank in East Berlin. Two additional members will be added for signatures for availability to sign checks and make deposits. Bob N. gave a big thanks to Dave P. for all his work keeping the records of club funds in great shape.
