

Conewago Carvers March Wood Splinters

Happy Saint Patrick's Day !!!

President Murphy here, still reporting in from Sunny Florida. As many of you are now aware, my return to the frozen Tundra of East Berlin has met with unforeseen delays. Those of you who follow me on Twitter or subscribe to my YouTube channel already know that one of the top items on my bucket list is to perform with the mermaid swim team at Weeki Wachee Springs. Much to my chagrin, these mermaids actually have to hold their breath. Who knew? I thought that was special effects or something. Bummer. Anyway, I am hoping that my tryout next week for the Cypress Gardens water skiing team meets with greater success.

Just a reminder, we have our monthly meeting this Sunday (3-19-17) at 2:00 PM at the EBACC. A lot of folks will be attending the Lancaster County Woodcarvers show in Millersville which is also this weekend. As of right now we're hoping Chris Biles will be doing a program on sharpening with the Burke sharpener. Should be good!

Don't forget—no meeting in April. Easter falls on our meeting day this year.

Before I forget, I need to mention that Dave Parker is really a wonderful person, in fact, he should probably be called Mr. Wonderful (even though he really hasn't done squat this month).

Those of you who actually read our newsletter already know that our editorial department is in transition right now. We should be back to our regular format real soon.

See you soon!
