

CONEWAGO CARVERS

January 2023

Welcome to 2023. The month has been a rollercoaster of weather and holidays but the club is ready to start another year. We have a lot of nice things planned; some Tuesday night classes and third Sunday programs, all day carve events, a show and let's not forget the Seminars.

A special thank you goes out to all of the officers that carried us through the 2022 year. Thank you to Bob Nesbit who gracefully remained president when the position was unexpectedly open, and who stepped up to fill in during the show and with seminars. Thank you to Connie Hoover with her amazing organizational abilities, who also remained on for an additional year as Vice president. Thank you to Mel Bunty who got the newsletter out to the members and served as secretary. Thank you to Dave Parker who has been our Treasurer for a number of years through "covid caused" seminar cancelations and other various changes. Thank you to The Seminar Team. It takes an entire team to pull this many seminars together. I hesitate to name names because I am afraid to miss someone who is part of the team but hopefully I get them all. Thank you to Patrick Weddle, Karla Harman, Bob Nesbit, Mike Nowakowski and Jim and Joan Heiser.

This year our team is almost totally new and my hope is you reach out and help these officers in any way you can:

President: Patsy Hartnett,
Vice President: Dave Parker,
