CONEWAGO CARVERS

PRESIDENTS REPORT

MEETING DATE OCTOBER 17, 2021

Can you believe we are in October already, and that means our annual show is just around the corner. So please add it to your calendar and come on out.

A thank you for Connie Hoover, Mel Bunty, and Boyd Shoemaker for their help at Pippin fest. In this two day event we gave out 226 show brochures and had several people express interest in our club. A few of those have come in on Tuesday night and have looked around and talked with some members. To date we have had 8 people come to the club room to check us out due to this event.

Another special thanks needs to go out to Connie Hoover for all her effort in the reorganization of the club room. She has done a super job and has done a lot of cleaning. She has set up a temporary shelf for all the donated wood and blanks that have been donated to the club this year. So if you attend the show please come down to the club room and help yourself to this wood. It's clearly marked that you can take it.

Patsy Hartnet and Connie Hoover set up a carving display in the lobby showcase at the East Berlin Library. The carvings will be on display for the month of October. thanks to them for a beautiful display
