

Dear Potential Sponsor,

The Conewago Carvers are proud to announce that we will be hosting our 22nd annual Woodcarving & Wildlife Art Show to be held October 25 & 26, 2014, at the East Berlin Area Community Center, East Berlin PA. We have approximately 35 different exhibitors, ranging in age from 12-90 who carve everything from caricatures to human figures to wildlife. Each year we hold a carving competition and last year were pleased to have over 10 youth participate. The annual show is the main fundraiser for our very active club. The club holds a business meeting each month and we open our club room each Tuesday night and one Saturday a month for carving. The club also reaches out in the community displaying our works at local libraries, retirement communities and Colonial Days, along with helping Boy Scouts complete their woodcarving merit badge.

The Conewago Carvers would appreciate your help in supporting our show and promotion of the art of woodcarving through a generous sponsorship. We expect to have 400-500 visitors to our show this year and are actively publicizing the show in new ways to increase that number. Your company listing will appear on posters throughout the show, in our program, on our website and in a thank you ad in the East Berlin Area Community Center newsletter which is distributed to over 11,000 households. Our sponsorship options are listed below:
